Re: *Request to Transfer Planned Residential Units*

Dear Mr. Osborne:

As you know, Blockchains, LLC (the "Company") recently purchased the vacant land known as Painted Rock. This letter serves as the Company's request that you provide us with the necessary application, and any other relevant information, **in order for the Company to seek to transfer 25% of any future approved residential units at Painted Rock to the planned Emerald City development.**

Section 6.3.4 of the 2016 Master Plan reflects that County is amenable to residential development at Painted Rock and that section states, "Storey County is open to conversation with a potential new developer for [Painted Rock]." While the Company intends to engage in such a conversation with the County, it cannot do so until the resolution of its request to transfer 25% of any future approved residential units to Emerald City, which project is being developed by a third-party. Thus, please provide me with the application and any other information that will assist us in submitting an application for this transfer as quickly as possible.

If you require any further information, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read 'L.A. Weiss'.
