

NOTICE OF PROPOSED ACTION

by the
State of Nevada
Division of Environmental Protection
Bureau of Air Pollution Control

PUBLIC NOTICE

Pursuant to Nevada Revised Statutes (NRS) Chapter 445B, the Nevada Administrative Code (NAC) Chapter 445B, and the Clean Air Act, the Division of Environmental Protection is issuing the following Notice of Proposed Action.

The Director received an application for a new Class II Air Quality Operating Permit, AP3728-3945 (FIN A2085) from the following applicant:

ERG Materials and Aerospace Corp.
3501 Peru Drive
McCarran, NV 89434

ERG Materials and Aerospace Corp. – Peru Drive Facility is located approximately three miles south of I-80 exit 32 in Clark, Nevada. The project is located in all or portions of Section 11, Township 19N, Range 22E, M.D.B.&M.

ERG produces metallic foam. The process involves producing a template of the end product, placing the template through a burnout process utilizing furnaces with thermal oxidizers for control, and the output of that process is then employed to produce the final product.

On the basis of the preliminary review and the requirements of the NRS, the NAC and the Clean Air Act, the Director is hereby announcing his intent to issue the proposed Class II Air Quality Operating Permit based on a review of the information submitted. A copy of this document, the draft permit, and the director's review will be available for public inspection at <http://ndep.nv.gov/posts>.

Persons wishing to comment regarding this proposed action, or to request a hearing pursuant to NRS 445B Air Pollution and NAC 445B Air Controls, should submit their comments or request in writing, either in person or by mail within thirty (30) days to:

Ashley Taylor, P.E., GISP
Nevada Division of Environmental Protection
Bureau of Air Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701
(775) 687-9330

The application, Director's Review, proposed permit, any comments received, and other relevant information may be copied at the above address or copies may be obtained by written request to the above address. Written comments or objections will be received at the Nevada Division of Environmental Protection, above address, until **July 28, 2019**, and will be retained and considered prior to final action on the proposed Class II Air Quality Operating Permit.

Please bring the foregoing notice to the attention of all interested persons.
