Subject: **Request for Public Retraction of Endorsement of Candidacy of Gerald Antinoro for Sheriff**

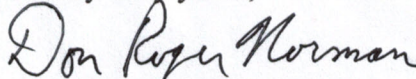

Dear Mr. Laxalt,

The purpose of this letter is to respectfully request you immediately and publicly retract your endorsement of and support for Gerald Antinoro for Sheriff of Storey County. In light of the recent deposition testimony provided by Antinoro and his longtime friends and associates serving under him, I would hope you would agree that his behavior is unacceptable conduct for a candidate running for the office of County Sheriff.

As you are still Attorney General, I understand there may be restrictions on what you can and cannot say as a candidate for the Governor's office if there is an ongoing investigation by your current office. There is a perception, however, in Storey County that you have been or may be currently supporting Antinoro's candidacy. I suggest you clear this up as soon as possible and state in very certain and clear terms that you are not supporting Antinoro's candidacy and that the behavior described in the depositions provided to your office under separate cover is unacceptable for any elected office, especially that of County Sheriff.

Thank you, sir.

Very truly yours,

Don Roger Norman
